TVA INTERNATIONAL VASCULAR CONFERENCE 2026

OCTOBER 21-23, 2026

“Unifying Precision and Strategy for the Future of Vascular Excellence.”

Welcome message

Welcome Message from the President

Dear Colleagues, Distinguished Faculty, and Friends,

It is my great pleasure to welcome you to the TVA - International Vascular Conference 2026 (TVA-IVasC 2026), organized by the Thai Vascular Association under the Theme: “Unifying Precision & Strategy for Vascular Excellence.”

As vascular and endovascular care continues to evolve rapidly, collaboration and innovation remain essential to improving patient outcomes. TVA-IVasC 2026 aims to provide an international forum for vascular specialists, surgeons, interventionists, trainees, and allied healthcare professionals to exchange knowledge, share experiences, and explore the latest advances in vascular medicine and surgery. Through scientific sessions, expert lectures, case discussions, and networking opportunities, we hope this conference will foster meaningful collaboration and strengthen connections within the global vascular community.

On behalf of the Thai Vascular Association, I would like to express my sincere appreciation to our faculty members, sponsors, partners, and organizing committee for their invaluable support. We look forward to welcoming you to Thailand and sharing an inspiring and memorable experience at TVA-IVasC 2026.

**Major General Thamrongroj Temudom, MD
President of Thai Vascular Association**

Vascular Excellence."**

Objective

Welcome Message from the Chairman of the Scientific Programme

Dear Distinguished Colleagues and Friends,

Assoc. Prof. Khamin Chinsakchai, MD
Chairman, Scientific Programme Committee
TVA – International Vascular Conference 2026

On behalf of the Scientific Committee, it is my great honor to welcome you to the TVA – International Vascular Conference 2026 (TVA-IVasC 2026), held on 21–23 October 2026 in Bangkok, Thailand. Under the theme "Unifying Precision and Strategy for the Future of Vascular Excellence," this conference is designed to be more than a meeting — it is a catalyst for advancing clinical knowledge, fostering global collaboration, and showcasing the most innovative surgical techniques through live case transmissions and expert-led sessions. We have crafted a three-day scientific programme spanning Peripheral Arterial Disease, Aortic Surgery, Vascular Access, and Venous Disease, bringing together world-class international faculty alongside leading Thai vascular surgeons. Whether you are a seasoned specialist or an emerging trainee, TVA-IVasC 2026 offers a unique platform to learn, connect, and contribute to the future of our specialty.

We look forward to welcoming you to Bangkok.

Assoc. Prof. Khamin Chinsakchai, MD
Chairman, Scientific Programme Committee

Abstract Submission Guidelines

Abstract Submission Guidelines for TVA-IVC 2026

GENERAL INFORMATION: The Scientific Committee of TVA-IVC 2026 invites submission of original research. Abstracts on all aspects of vascular and endovascular surgery. Accepted abstracts will be considered for oral or poster presentation during the conference (21–23 October 2026).

SUBMISSION DEADLINE

- Abstract submission deadline: 31 August 2026
- Notification of acceptance: 15 September 2026
- Submission portal: <https://thaivasc2026.org>

TOPICS OF INTEREST

- Peripheral Arterial Disease (PAD) — medical, surgical and endovascular management
- Aortic Disease — EVAR, TEVAR, open aortic repair
- Venous Disease — varicose veins, DVT, chronic venous insufficiency
- Vascular Access — dialysis access, tunneled catheters
- Carotid and Cerebrovascular Disease
- Diabetic Foot and Wound Care
- Innovation and Technology in Vascular Surgery
- Basic Science and Translational Research in Vascular disease

FORMAT REQUIREMENTS Word limit: 300 words maximum (excluding title and authors)

LANGUAGE: English

STRUCTURE: Please use “TVA-IVC 2026 abstract template” [SEE PAGE 3]

- For Original Research, the abstract must be structured into separate sections: (1) Background – (2) Objective – (3) Methods – (4) Results – (5) Conclusion
- For Case Report / Case Series, the abstract is merely a word document without sections

oTitle: Bold, UPPERCASE, maximum 20 words

oAuthors: List all authors; underline the presenting author

oAffiliations: Include department, Institution, City, and Country

oTables/Figures: Not permitted in the abstract body

oAbbreviations: Define at first use

Travel Information

- **By Air**

- Bangkok is served by two international airports:
- Suvarnabhumi Airport (BKK)
- Don Mueang International Airport (DMK)
- Both airports provide convenient transportation to the conference venue via taxi, airport rail services, and ride-hailing applications.

- **By Public Transportation**

- BTS Skytrain
- MRT Metro
- Taxi and Ride-Hailing Services (Grab, Bolt)

- **Accommodation**

- A variety of hotels are available within a short distance of the venue, ranging from business-class accommodations to luxury hotels.
- Participants are encouraged to reserve accommodations early due to limited availability during the conference period.

- **Climate**

- October in Bangkok is generally warm and humid, with temperatures ranging from 25–33°C. Light business attire is recommended.
